ANNUAL REPORT 2017/18

Our Vision: Every child in Sisters who needs a FRIEND, has a friend. Friends provide consistency and long term relationships for the children they mentor. The result of our work is that all children are provided experiences and opportunities that will contribute to their current and future success.

VOLUNTEER MENTORS

"...the single most common factor for children who end up doing well is having the support of at least one stable and committed relationship..."
Center on the Developing Child (2015) The Science of Resilience, Harvard University.
