

Mentor Meeting Agenda

3/4/2021

March Programing

- On Our Website on the Mentor Page – Programming Schedule
- We have our Smart Board so hoping to have that set up and ready to use for this months programing!

Updates.

- We are working on a grant that will allow us to hire 1-2 interns! This will help with the kids on our waitlist as well as all our mentors when they are unable to do activities with their mentee. Our hope is to have the funding and an intern hired by the end of summer.
- We have new flyers for mentoring – if you know any business that would be willing to have them out, please connect with me (I have already delivered flyers to a few businesses in town, but having an inside connection is always nice).
- Our waitlist is growing – we are currently at 8 kids and looking at adding 1 more in the next month. This list is too big...if you do know anyone who is interested please send them my way – we have been looking at creative ideas for mentors who may be hesitant due to time (having an intern will truly help here).

- Hope Presentation

Supplemental Mentor Meeting: 3/24/2021 – let me know what you would like to cover!

Next Mentor Meeting: 4/1/2021 covering “Self Management”
