

Mentor Meeting Agenda

5/6/2021

May Programing

- On Our Website on the Mentor Page – Programming Schedule.
- Programing will be done by zoom for the first part of the month.

Updates.

- We currently have 10% of our students in SSD in quarantine due to higher COVID cases.
- Mentor Surveys will be coming out end of May.
- We have 8 unmatched kids who are in need of some one-on-one time. Trying to think outside the box to get them some time with individual mentors.
 - We will be introducing interns starting this fall which will help with this.
- We will be making our raised beds this month – I have decided to only have a couple of our unmatched boys who are in desperate need of some one-on-one mentoring. Looking for a couple of volunteers to help work with these boys.

Sense of Belonging

- Survey
- Presentation

Next Mentor Meeting: 6/3/2021
